ITINERARY

Arles to Lyon | 8 Days

Day 1- April 4, 2027 - Arles (embark)

Arrive at the Marseille Airport. If you have arranged a Uniworld arrival transfer, you will be greeted by a Uniworld representative and transferred to the ship docked in Arles.

Day 2 - April 5, 2027- Arles

Explore a sun-drenched Provençal town today with an allure all its own. Known for its remarkable Roman ruins, Arles so inspired Van Gogh that he painted some 200 paintings there. Arles has existed since the sixth century BC, when the ancient Greeks founded it and named it Thelina. It was here that the Romans built their first bridge across the Rhône River, creating a vital overland route between Italy and Spain.

FEATURED EXCURSIONS:

Arles Walking Tour

Day 3 -April 6, 2027 - Avignon

The walled city of Avignon is one of the most fascinating towns in southern France, with a host of historic gems to explore—including the fortress residence of rebellious popes who broke from Rome and once lived and ruled here. You'll see the Palace of the Popes and much more today, or have the chance to visit a 2,000-year-old Roman aqueduct.

A special Captain's Welcome Reception and Dinner will be prepared for you this evening.

FEATURED EXCURSIONS:

Your choice of: 1) Avignon Walking Tour with Palace of the Popes. 2) Pont du Gard Roman Aqueduct Visit or 3) Let's Go: Biking to the Chartreux

Day 4 - April 7, 2027 - Viviers

An enchanting village where time seems to have stopped centuries ago, Viviers has a long and storied past that goes back more than 1,600 years—and a splendid architectural heritage to match. At one time, Viviers was divided along religious lines—the clergy lived in the upper part of the town, the laity in the lower part. Your exploration of the town will take you through both parts, as you begin at the crest and make your way to the riverbank.

FEATURED EXCURSIONS:

Village Day: Ardeches - Sycamores line some of Viviers' stone-paved streets (planted, so they say, to provide shade for Napoleon's soldiers), and houses here bear the watermarks of floods over the years. A local expert will show you the fountain squares in the Old Town, which combines Roman and medieval influences, and cobblestone lanes so narrow you can stand in the middle and touch the medieval houses on either side. Viviers climbs a hill crowned by 12th-century St. Vincent's Cathedral.

Day 5 -April 8, 2027 - Tain L'Hermitage (Tournon)

If you love fine wine, you'll love the twin villages of Tournon and Tain-l'Hermitage. Tournon may be a small town, but stirring events took place here: A castle was raised on the hilltop in the 10th century to protect the region, and new fortifications were added over the centuries, including two "new" towers built to defend against Protestant attacks in the 16th century. You'll see the handsome houses constructed by wealthy merchants and garrison officers when you walk through the Rue de Doux area, and you'll pass the 14th-century church and the oldest secondary school in France.

FEATURED EXCURSIONS: Your choice of Tournon and Tain-L'Hermitage Twin Villages Stroll with Wine Tasting or Let's Go: Heritage Terrace Vineyards Hike with Wine Tasting

Day 6 - April 9, 2027 - Lyon

Ancient Lyon is a city of tantalizing contrasts, from Roman roots to stunning modern architecture and plenty of Renaissance flair in between. There's much to explore here, from the city's bike paths to the silk weavers' secret passageways. While you're in town, you might like to have lunch on your own at one of the many traditional bouchons that proliferate in the epicenter of French gastronomy.

A special Captain's Farewell Reception and Dinner will be prepared for you this evening.

'FEATURED EXCURSIONS:

Your choice of: 1) Lyon Panoramic Tour with Traboules Visit, 2) Silk Weavers Walking Tour or 3) Let's Go: Lyon Peninsula Bike Tour

Day 7 - April 10, 2027 - Macon (Beaune)

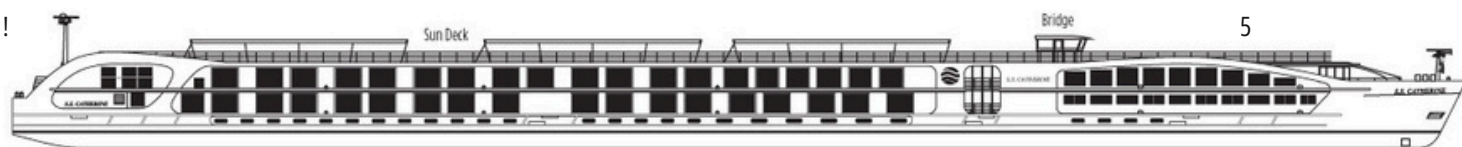

The pace of life is decidedly more relaxed in Burgundy, where endless rows of grapes hang heavy on the vine. The capital of the region's wine trade, Beaune is renowned for its history, beauty, and highly prized wine, as well as its medieval-era hospital—the Hospices de Beaune.

FEATURED EXCURSION: Burgundy Landscapes, Beaune and the Hospices.

Day 8 - April 11, 2027 - Lyon (disembark), transfer to Lyon-Saint Exupéry Airport
 Disembark the ship and transfer to Lyon-Saint Exupéry International Airport for your flight home.
